MT. EVEREST CHALLENGE

26TH SEPTEMBER - 13TH NOVEMBER

CHALLENGE INFO

The Titirangi Mt. Everest Challenge is a seven week event where people of all ages walk, run or cycle up Titirangi (Kaiti Hill) 68 times, which is equal to the height of Mount Everest. You can do it solo or as part of a team to help motivate each other.

Participants can track their progress with a free, live, online leaderboard to track your (and your team's) progress. Each challenger can create a profile, enter their climbs and track their journey towards summiting Mt. Everest and other noteworthy peaks. It connects friends, whanau and teams, which makes it perfect for challenging and encouraging one another to conquer the maunga!

But you don't need to be in Gisborne to participate. Use the conversion chart on the back, and convert your climbs before entering them on the website. You can even start a team for your community, and the challenge the town teams!
