

Tū Manawa Active Aotearoa Fast Fund – November 2022

Successful Applications

Applicant	Amount Applied for	Amount Disbursed
<p>Paieka Ariki: Rugby League Summer Series (Sport) This project will deliver a 6-week Rugby League competition, providing opportunities to young people beyond those who compete at the representative level. The project will support the purchase of sports equipment and pay for travel for an East Coast kura to participate in the Gisborne-based league.</p>	\$9,889.00	\$8,744.00
<p>Surely Skate: Surely Shred (Active Recreation) Surely Shred is an all-comers skate competition, geared towards engaging girls, young women and non-binary skaters of all skill levels. The Surely Skate tutors/mentors -- themselves young, female, and non-binary skaters -- will deliver 10-15 workshops leading up to the competition. This project will break down the barrier for young people to skate in a competition and to see themselves as valuable users of our high-profile skate park, normally a safe space for boys and young men. Note: this is an application by/for rangatahi, and specifically one of the fund's priority groups: girls and young women.</p>	\$7,000.00	\$7,000.00
<p>Te Araroa Districts and Progressive Assoc. Inc: Matakaoa Rangatahi Sports Academy (Sport) This project will pay for kai, equipment, and wages to deliver a project of multiple sports and activities. For 12 weeks over the summer, the project will deliver 2 sport codes per week, 4 weeks at a time, as well as deliver online dance and fitness sessions with new equipment. Engagement will include whānau from neighbouring East Coast communities.</p>	\$10,000.00	\$10,000.00
<p>TKKM o Hawaiki Hou: Hōpuni Wharekura (Active Recreation) This project delivers 3 days and 2 nights of local activities that build on the aspirations of young people of this kura and align to their co-designed curriculum framework in fun ways. This project breaks down barriers to participate in activities such as yoga, surfing, and fishing. Woven through this itinerary of active recreation activities are leadership and other skill-based wānanga.</p>	\$10,000.00	\$10,000.00
<p>Te Kura Kaupapa Maori o Whatatutu: E Tipu Ai Te Pakiaka Tangata, Me Whakatō He Purapura Wairua (Active Recreation) This project will break down travel and isolation barriers for the young people of this kura to pursue Tennis. The project will pay for bus travel to the Gisborne Tennis Club, where they will receive professional coaching. The project also pays for equipment to support daily all-kura fitness sessions during Term 1.</p>	\$9,832.60	\$9,832.60
<p>Te Kura Reo Rua o Waikirikiri: Play Based Learning (Te Pae Whakaaio) (Play) Through co-design with Enviroschools students and whānau with special needs students, this project will design and install a sensory garden and play-based learning space. The whānau-inclusive project breaks down barriers for young people of the kura who live with trauma and other special needs. The play spaces will bring calm, safety, and play to their place of learning and</p>	\$9,500.00	\$9,500.00

support the young people to develop self-regulation skills in order to rejoin the classroom.		
Youthful: What is the potential for Basketball to be on Parau Street (AR) This project will purchase more durable equipment, source skills training through the GBA, as well as basic ball playing necessities (shoes and balls) to expand their social basketball experience. For the rangatahi who attend these community youth groups, basketball is a passion, the activity that allows them to grow their self-worth, and at times, the glue that holds the groups together.	\$9,405.00	\$9,405.00
Total		\$64,481.60
